Hello Zivit,

Re: Payment of allocations (deductions for social rights)

Further to our telephone conversations of January 15, 2006 and January 16, 2006, during which I conditioned my signing the documents you sent to me on payment of the debt that BrainsGate owes me, I am sending to you the relevant documents, following consultations with my tax consultant.

In my employment agreement with the company the following details relating to deductions for social rights were listed:

- 1) 5% employee benefits
- 2) 5% employer benefits
- 3) 8.33% compensation fees
- 4) 2.5% compensation for loss of working ability

The sum that BrainsGate owes me is due to the fact that the above listed deductions were not taken from my gross salary, which amounted to NIS 163,015 (see document no. 1).

I enclose the following documents which explain the debt:

Document no. 1 – form no. 106

Document no. 2 – a calculation of the deductions. The document indicates that the debt owed by the company is NIS 5,637.

Document no. 3 – calculations of interest ruling/execution office rights. As the debt has not been paid for 3 years the total amount including interest is NIS 6,512.

Once this sum is transferred to my bank account I confirm that I will sign the documents you sent.

I would like to point out that on January 31, 2006 I am going abroad for a period of three weeks, such that if my signing the documents is urgent you should take this into account.

Regards,

Dr. Benny Shalita
